

## **AID & DEVELOPMENT PROJECTS, SOUTH AFRICA.**

### **George Whitefield College (GWC)**

George Whitefield College (GWC) is an accredited theological college based in Cape Town, South Africa. African Enterprise works in partnership with GWC to support disadvantaged students with bursaries to meet residential needs and study materials. We are also supporting GWC to build accommodation facilities for students.

#### **Capacity Development Fund (Tax-deductible)**

This project is aimed at constructing property to provide additional single student accommodation plus some married and staff accommodation and dining facility for the college.

This construction of the Hope Motlhope Student Centre is now underway.

A further R7.5 million (AUD \$770,000) is still to be raised.

#### **Disadvantaged Students Fund (Tax-deductible)**

GWC hosts students from 15 African nations, including South Africa, Malawi, Kenya and Rwanda. 60% of GWC students are supported by bursaries.

Costs covered include accommodation and meals, book allowances, and administration amenities charges.
